T600E TREADMILL

NOW THERE'S MORE TO SEE You can make your fitness center a highlight of your offering with exercise that entertains. Our new Entertainment Series console will bring people in and keep them coming back with all of their favorite entertainment apps, plus exclusive HD destination footage, HIIT programs, optional live TV and more. Users can even mirror their own devices to stream whatever moves them.

POPULAR ENTERTAINMENT APPS

We've integrated the most popular streaming entertainment apps in a familiar tablet-style interface, so it's easy for anyone to log in to their personal accounts and enjoy their favorite music, movies, shows and books while their workout flies by.¹

BLUETOOTH COMPATIBLE

Bluetooth compatibility makes it easy for users to connect their devices. Now they can enjoy the music and shows that motivate them on their favorite headphones and check their progress with heart rate trackers, all totally wire-free.

SPRINT 8

An immersive version of our exclusive Sprint 8 HIIT program stimulates natural human growth hormone to burn more fat and build lean muscle in short 20-minute workouts that anyone can fit into their schedule.

CONNECT & STREAM

A built-in HDMI™ port lets your people connect Android and iOS devices and mirror their own screen. That means they can bring along their favorite playlists, movies and shows, or even browse their favorite social media feeds while they work out.²

VIRTUAL ACTIVE

Virtual Active programming transports exercise enthusiasts to exotic locales with forward-motion, high-definition footage that speeds up or slows down to match their pace and resistance or incline that varies to match the terrain. Includes virtual coaching and 17 courses.

OPTIONAL LIVE TV

Our optional TV tuner lets all the people you serve enjoy their favorite shows, sports and live news while they sweat. It's Pro:Idiom encrypted to protect content providers from piracy, and it's easy to add by simply removing two bolts from the quick-release service panel.

CONSOLE
